RATIONALE

LEARNING OBJECTIVES

- To extend the knowledge of robotic assisted partial and radical nephrectomy (RAPN, RARN) providing indications and limits of the technique, as well as optimize perioperative, functional, and oncological outcomes after RAPN.
- To present RAPN/RARN live surgeries using different surgical approaches
- To present the latest scientific evidence on renal cancer and other emerging issues in urology

EDUCATIONAL GOALS

Technical-professional contents (knowledge and skills) specific to each profession, each specialization and each ultra-specialised activity, including rare diseases and gender medicine

CME CREDITS

Certificate awarding 9,1 CME credits will be e-mailed within 90 days after the end of the congress. The following medical sciences have been accredited for this Congress: Urology
